Table runner

Yarn: Scheepjes Catona, approx 280 g/700 m/766 yd in total

(1 ball = 50 g/1.75 oz will be enough for 2 pattern repeats)

Hook: 3.0 mm

Measurements: Approx 40x120 cm/16x47 in. 1 pattern repeat= approx 9 cm/3.5 in

You can customize the length of your table runner by making fewer or more pattern repeats. Please note that the amount of yarn needed will be different.

Gauge: 20 dc and 10 rows = 10x10 cm /4x4 in

Abbreviations (US terms)

st	stitch
sl st	slip stitch
ch	chain
dc	double crochet
3dccl	3 double crochet cluster
- / **-**	repeat
RS	right side
WS	wrong side

Notes

- The chains at the end of a row (shown in *italics*) are turning chains. They do not count as a st
- Change color at the last pull through on the last dc on a row, before the turning chains. For my version I changed color after row 9. You'll find a color chart at the end of pattern
- Stitch count in ( )
- I recommend that you block your finished piece to get straight edges and a nice stitch definition

☐ = 3 dc, ■ = 1 dc, ch 1, skip 1 st, 1 dc

Note that all adjacent blocks share a common dc in the center, so: 2 white blocks side by side = 5 dc, 3 white blocks side by side = 7 dc, etc.

1 white block + 1 black block = 3 dc, ch 1, skip 1 st, 1 dc
